

Bicyclavery

## Bilateral Meetings

- Wednesday, 11:00 - 18:30
- Thursday, 11:00 -14:30

### Description

Bicyclavery is an application that provides fast delivery services using only bicycles for a better environment.

Bicyclavery also provides a service that is the first from its kind which is enabling anyone who has a bike to work with us from anywhere by just accepting to deliver an order. It's more like UBER but for only delivery and by bicycles.
