## Bilateral Meetings

- Thursday, 11:00 -14:30

### Description

"The Switchers" is a community of inspiring green entrepreneurs and changemakers in the Mediterranean region.

Switchers are individuals, enterprises or civil society organizations implementing innovative and ecological solutions that contribute to sustainable and fair consumption and production models. They are active in a variety of fields, such as organic farming, green tourism, renewable energy, or waste management. The platform [www.theswitchers.eu](http://www.theswitchers.eu) tells their stories of sustainable transformation and change.

As part of the SwitchMed program ([switchmed.eu](http://switchmed.eu)), our community is supported by UNEP, the EU, and UNIDO.

### Environment

### Request

## Institutional supporters of (green) entrepreneurship

We are supporting green entrepreneurs in the Mediterranean region, and I would be interested in speaking with any actors who are committed to increasing or intensifying their engagement with startups or innovation (either in the sustainability sector or in general) to discuss potential partnership opportunities.

Keywords: entrepreneurship partnerships sustainability

Cooperation Requested

1. Investment/Financing

## 2. Other

### Offer

### **Get featured as a Green Entrepreneur!**

Our platform theswitchers.eu tells stories of inspiring green entrepreneurs and changemakers in the Mediterranean region.

We aim to contribute towards a more differentiated picture of the region, and shine a light on the people who are working to create a greener economy.

In addition, we are bringing these entrepreneurs together in our community, where they can benefit from a number of resources within our network
