- Thursday, 11:00 -14:30

### Description

I would like to pay attention to the fact that I always try to introduce modern art in my design because through modern fashion I put touches of the Palestinian heritage and so it remains stuck in the mind and everyone. I always try to change the shapes and colors and give Ray to the person who wants to design a unique piece to be distinctive to the beholder and from here spread my idea to those around me and be characterized by modern art of old can not forget
